PROTECT THE LINEN

CANDLE WAX

MILDEW

BURN HOLES

FOOD STAIN

IMPORTANT REMINDER

- Shake off all debris and make SURE Linen is dry before bagging to prevent staining and mildew.
- Linen should not be left wet more than 6 hours.
- Linens are not to be used: as a rag, for mopping, or drop-cloth.
- If linens are damp/wet, allow to dry before folding or placing in bags for return
- Mildew can occur within hours

Customers are responsible for any damages
