

DANCE FLOOR SIZE GUIDE

Charlotte Party Rentals Dance Floor comes in 4' x 4' square panels. We can build different size configurations base on your event's requirements.

HOW TO DETERMINE HOW MANY PANELS YOUR EVENT SIZE NEEDS

The numbers on the outside indicate how big the Dance Floor will be in feet ('). The numbers on the inside indicate the number of panels that will be used to build up the sizes.

Example: You need a 16' x 20' Dance Floor = 20 panels will be needed to build that up

Please Consider When Sizing:

Our American Plank dance floor comes in 4' x 4' sections so the size can only be made in 4' increments

		4'	8'	12'	16'	20'	24'	28'
4'	4'	1	2	3	4	5	6	7
8'	8'	2	4	6	8	10	12	14
12'	12'	3	6	9	12	15	18	21
16'	16'	4	8	12	16	20	24	28
20'	20'	5	10	15	20	25	30	35
